

Advanced Instructor Training

This is a specially designed two day course to prepare you for the Advanced Instructor Course.

There is no formal requirement to attend a training course prior to attending an Advanced Instructor course but this could provide you with or develop the skills you will need.

These 2 day courses are run by RYA Dinghy Coach/Assessors and will allow you to gain further experience of performance dinghies, have a go at running performance sailing sessions and delivering boat set-up & sailing theory topics.

Feedback will be provided about your delivery of all sessions & topics and help you prepare to go onto the Advanced Instructor course itself
