

Wright Lodge Summer News

JUNE 2017

A brief history

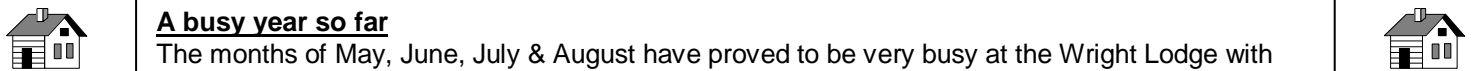

In January 2009 it became clear that the demand for using Water Park, based near Coniston in the Lake District, had outstripped availability. In order to cater for those clients who were unable to make a residential booking we began looking at alternative ways to allow clients the opportunity to undertake the Water Park experience. A year later building work began on the Wright Lodge down at our boat park. November 2010 saw the completion of the building & March 2011 our first group visiting for the day.

JANUARY 2010

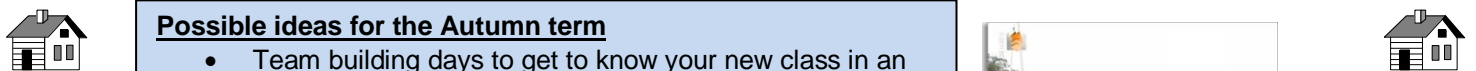

APRIL 2011

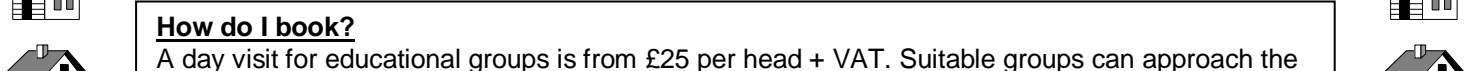

A busy year so far

The months of May, June, July & August have proved to be very busy at the Wright Lodge with only a few spare days during May. Groups have ranged from Primary schools, to adventure breaks for children of military families, to youth clubs to INSET training days. A number of Primary schools have brought their year 3 & 4 children for a first taste of outdoor education sessions. Some of those who have already visited us have now booked for 2012. Book soon to avoid disappointment.

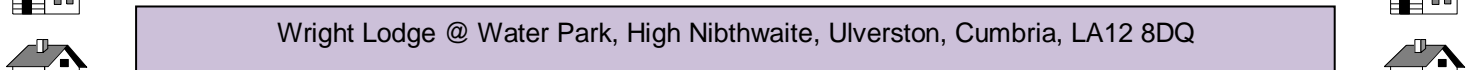

Possible ideas for the Autumn term

- Team building days to get to know your new class in an informal environment.
- GCSE orienteering, climbing or paddle sport sessions.
- Weekly or monthly outdoor education sessions for the same group of children as a developmental programme.
- John Muir Award sessions.
- Base yourself at Coniston YHA & use the Wright Lodge for your activities.
- INSET days - either activity based, just as a meeting room or why not consider a day of meetings & activities.

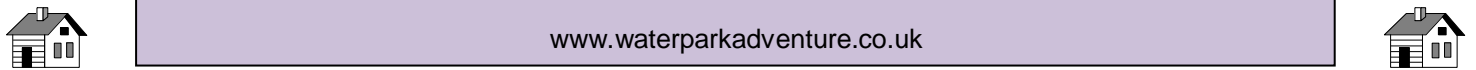

How do I book?

A day visit for educational groups is from £25 per head + VAT. Suitable groups can approach the Eric Wright Trust, administered through Water Park, for a contribution towards the cost of a day visit. To book a day visit, contact us with your preferred date & activities. We will check compatibility with the resident group and check whether we have the resources to staff & equip your preferred activity. We will then send you a booking form to complete. Once we have received the booking form we will send you an invoice. It really is that easy!
